Office of the Director of Agriculture,
Chepauk, Madras, dated 28.10.1948.

Copy of circular V.V. 1-388/48 dated 3.9.48, from the Director of Agriculture, Madras, to all District Agricultural Officers.

. . . . .

Sub:- Establishment - Agricultural Demonstrators - Impolite behaviours towards ryots - compalints - Instructions issued.

. . .

Of late, numerous complaints are being received about the discourteous behaviour of some of the Agricultural Demonstrators towards the ryots, when they approach the Demonstrators either to obtain their requirements from the Agricultural Depots or for advice on agricultural matters. In some cases the replies given by the Demonstrators are so misleading that ryots suspect the stock position in the depots and its equitable distribution.

2. The District Agricultural Officers are, therefore, requested to direct all the Agricultural Demonstrators in their districts to be very polite to the ryots and not to cause them vexation unnecessarily by refusing supplies or by asking them to come a number of times with their carts, if supplies could be made possibly immediately. The Demonstrators should also be reminded that their main duty is to assist the ryots and that they should deal with the ryots sympathetically and in a straightforward manner, without giving room for suspicion or resentment. The Agricultural Demonstrators should also be warned that severe disciplinary action will be taken against them, if they give room for any complaints from the ryots.
